

Project Menu:

The main level project level is different for accounts that can bid on projects (I.E.- contractors, suppliers, etc.) and accounts that cannot bid on projects (I.E. – homeowners / customers).

Project Menu (Biding Accounts):

Menu Items (Top to Bottom):

- **Add Folder** – Add a new folder.
- **Add Photo or File** – Add a photo or file.
- **Add Bid** – Add a bid to the project.
- **Add Task** – Add a task to the project.
- (I.E. – pick paint color)
- **Custom Sort** – Create a custom sort / filter.
- **Edit** – Edit the project information (Notes, customer information).
- **Archive** – Archive for current user.
- **Archive for All** – Archive for all account users.
- **New Project with Customer** – Create a new project using this customers information.
- **Invite by Sharing Link** – Invite customer or bidder by sharing a invite link.
- **Invite User(s)** – Invite account users to this project.
- **View Sharing** – View everyone that is currently shared with this project.

Project Menu (Customer or Homeowner):

Menu Items (Top to Bottom):

- **Add Folder** - Add a new folder.
- **Add Photo or File** - Add a photo or file.
- **Add Task** - Add a task to the project. (I.E. – pick paint color)
- **Edit** – Edit the project information (Notes, customer information).
- **Archive** – Archive for current user.
- **Archive for All** – Archive for all account users.
- **Invite from Directory** – Select a bidder to bid on the project.
